We are a family owned and operated business based in San Marcos - **Divided Sky Roofing & Exteriors**. I initially moved to San Marcos to attend Southwest Texas State in 2002 and quickly fell in love with the area- the people, the river, the vibe, everything about San Marcos. Everywhere you look is full of opportunity and a great place to call home and raise a family! Prior to starting Divided Sky I traveled the country working as an insurance claims adjuster and for another larger roofing company before striking out on my own.

Here at **Divided Sky Roofing & Exteriors**, we do everything from small residential repairs to large commercial jobs. We like to say, "If it rains on it, we work on it!" Shingles, metal, tile, flat, siding, gutters, paint- you name it and we can fix it. We take great pride in our work and hold manufacturer certifications with several of the biggest names in the industry. All of our roofing systems are factory certified meaning they are backed by the manufacturers who offer the best products with the best warranties. We also guarantee and warranty all of our work ensuring it will be of professional quality.

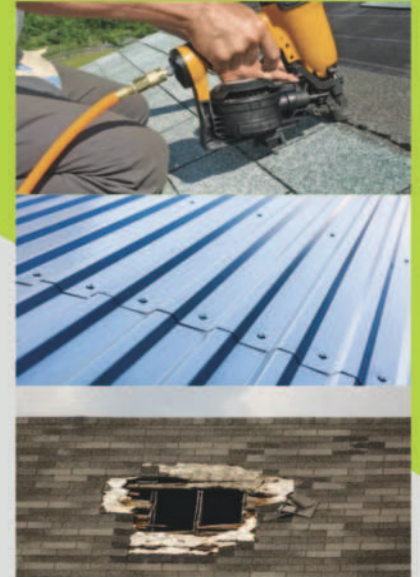

Our secret to success has been getting involved in the community and always operating with honesty and integrity. Treating people fairly, like you would treat your own family is the only way to do business! Our goal is to be THE go-to roofing and exterior repair company for all of our family, friends, neighbors, and future residents of Hays County.

We are extremely excited and honored to be voted **Best of Hays for 2019 and 2020** and will continue to work hard to serve Hays County. Another Hays County resident, Ray Wylie Hubbard, said it best - "...the days that I keep my gratitude higher than my expectations - Well, I have really good days!" Thank you to everyone who voted for us!

ADVANCED IMAGING SAN MARCOS

Did you know that a patient has the right to choose where they have their medical imaging done? With the internet at our fingertips and healthcare comparison sites presenting viewers with price and care ratings more and more patients are requesting that their physicians refer them to Advanced Imaging San Marcos.

Advanced Imaging is the only locally owned and operated outpatient imaging clinic in San Marcos and is accredited by the American College of Radiology in each of its modalities which include MRI, CT, Ultrasound and X-ray. AISM offers same-day scheduling, extended hours, film or CD delivery, a bilingual staff, payment plans, cash discounts and quality customer service.

Advanced Imaging San Marcos was founded in 2004 in the heart of Hays Counties' Medical Center by the board-certified radiology team of Dr. Gregory de la Iglesia, Dr. Douglas Smith, and Dr. Stephen Swearingen.

The ultimate goal of Advanced Imaging San Marcos is to ensure efficiency, result accuracy, and patient satisfaction. Whether revealing problematic health conditions at an early stage, monitoring an ongoing condition, or delivering the exciting news of a child's gender, AISM makes every effort to fulfill the needs of the patient and the doctor.

Advanced Imaging's state of the art technology has patients from as far as North Austin are making their way to the San Marcos facility for prompt, accurate and affordable imaging.

With board certified radiologist, highly trained technicians and cutting-edge equipment our patients can rest assured that their health and well-being are in the hands of local, caring physicians who share the same interests, concerns, and needs of its community.

As local business of this community we thank you for your vote and are proud to serve Hays County.

BEST VETERINARIAN

TODD E. SEBBY, DVM WILLIAMS-SEBBY VETERINARY CLINIC

Doesn't your pet deserve the best?
Williams-Sebby Veterinary Clinic & Pet Resort is a full-service animal hospital and welcomes both emergency treatment cases as well as pet patients in need of routine medical, surgical, and dental care.
Established in 1985, their doctors have years of experience treating severe conditions and offering regular pet wellness care. Beyond first rate pet care, they make their clinic comfortable, kid-friendly and calm, so your pet can relax in the waiting room and look forward to meeting their San Marcos veterinarian.
They are a down-to-earth, family run practice

that tries to treat all their clients and employees as an extension of their own family. They take pride in offering a variety of treatment options and reasonable prices for all their services.
They specialize in being a one-stop-shop for all your pet needs. Beyond their full-service hospital, they offer a state-of-the-art boarding facility, customized grooming, behavior modification and dog training. All these services work and coordinate together to provide their clients with a higher level of care and expertise.
The goal at Williams-Sebby Veterinary Clinic is to offer the best in veterinary care to our patients. Dr. Todd E. Sebby & Dr. Mark E. Williams

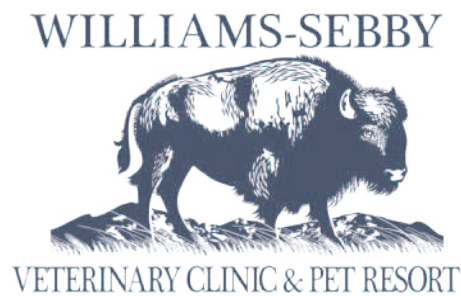

believe in continuing education and learning as much as possible so they can offer the highest quality and most up-to-date veterinary care.
They are happy to welcome the addition of two new doctors to help accommodate their growth: Dr. Nicolle Desnoyers and Dr. Kendall Schaffer.
Rest assured, your pets are going to be showered with love and attention from their receptionists, techs and our veterinarians whenever they walk through the doors. They all started out as animal lovers who have made it our lives' work to make sure your pets have an enjoyable visit to our hospital every time.

AUTO REPAIR - BODY WORK & GLASS REPLACEMENT

ERNIES PAINT & BODY

Ernie's Paint and Body shop has a long history in San Marcos.

For nearly four decades Ernest Valdez Jr. (Ernie) has worked tirelessly to grow his business into what it is today.

Ernie began fixing cars out of a two-car garage in 1983 where he managed both the front office and the body work on his own. Over time his business grew and he was able to relocate to a larger building and hire a four-man crew. Eventually, in 1998 Ernie moved his business into a custom-built workspace that would best meet the needs of his customers.

Ernie's Paint and Body shop has seen steady business and community support over the years. He is dedicated to giving back to his community in a multitude of ways. Ernie has

funded student scholarships, sponsored sports teams and supported the endeavors of a variety of local organizations throughout his time as a business owner. Ernie's Paint and Body shop works hard to ensure customer satisfaction and has enjoyed many loyal customers that he considers part of Ernie's family.

For almost a decade, Ernie's Paint and Body has been managed by his son (Ernie III) who has been helping his dad with the business as long as he's been able to. Stepping back to allow his son to take the reins has allowed Ernie the flexibility to do what he loves best, spend time with his grandchildren.

Philosophy

Ernie's Paint & Body has always prided

itself with providing the highest quality work in auto body repairs. Ernie's has maintained this standard by keeping up with the latest in equipment and technology. With digital imaging and high-profile paint, along with the incomparable experience and ability of his crew, Ernie's has created an outstanding reputation for his business in the community. Ernie's Paint and Body customers can have peace of mind knowing that not only do they guarantee their work, but manufacturers and insurance companies stand behind it too. Whether fixing a small scratch, a fender bender or major collision repair, Ernie's would love to make you their next happy customer.

3Z REALTY

Robby and his wife Katy are the proud owners of 3Z Realty and 3Z property management which they built from the ground up in San Marcos Texas. Their goal is to provide professional real estate services while also raising funds and awareness for Narcolepsy, a disorder that affects over 3 million people worldwide. The ZZZ in 3Z Realty stands for sleep! Robby & Katy also won a public awareness award from the Narcolepsy Network and were featured in an MTV True Life episode. Katy was diagnosed with Nar-

colepsy in High School so they are hopeful that through their donations to research and development they may one day find a cure. Currently it takes an average of 10+ years for a person to be correctly diagnosed with Narcolepsy after the first signs of the disorder so they are working towards shortening that time by bringing about awareness. Robby has 15 years of real estate experience, holds 10+ designations and certifications, is a Texas State Alumni, and specializes in residential and commercial real estate sales, leasing

investments, and property management in San Marcos and surrounding areas. Robby prides himself on turning clients into lifelong friends and spending his free time with those same people kayaking the local rivers and lakes, exploring music venues & restaurants, and hiking/mountain biking parks and nature trails. Robby has a 3 day old daughter named Zaylee, a cat named Zeno, and a new property manager, Arantza, that goes by the Z finishing out the search for their 3rd Z!

BEST AUTO REPAIR - MECHANICAL

LAMB'S TIRE & AUTO

If you're looking for a place to get your car or truck working again look no further than Lamb's Tire and Automotive.

Lamb's Tire & Automotive was founded more than 30 years ago, when they opened the doors of their first store on Ben White Boulevard in Austin, in 1987.

Much like their home city of Austin, Lamb's has grown quite a bit since that time and are proud to offer their customers top-quality service at any of their convenient neighborhood locations throughout the greater Austin area.

As they have grown their commitment to their neighbors has remained a top priority. In their stores, they are dedicated to staying ahead of technological changes with cutting-edge diagnostic and repair equipment, offering nationwide warranty coverage on all services, parts and labor and to only using parts that meet or exceed manufacturers specifications.

They pledge to provide the highest quality tires and service at the best value in the area – whether you drive a hybrid, an exotic or any vehicle in-between. Outside of their stores, they are honored to support many area high schools and community centers, Operation Call Home and the U.S. Military, the MUSE Awards and the Neighborhood Longhorns Program. These relationships, and the relationships they maintain with each customer in their stores every day, are the lifeblood of Lamb's Tire & Automotive. They are proud to be an active part of the area and thank their neighbors for choosing Lamb's as their trusted automotive service provider for more than 30 years.

"I have two high mileage vehicles that I have serviced at Lamb's Tire on a regular basis. Recently I had the front-end steering components replaced on my 2006 Silverado and now the truck drives like new. I've compared their prices to other local mechanics and they are the most competitive, not to mention extremely fast. Trent Wight, Caleb Ramsey, Andrew Welty and the crew are always courteous and I feel like I'm their favorite customer. I recommend them to anyone living in San Marcos to try Lamb's Tire and Automotive." - Phil Anderson

Visit them at their San Marcos location at: 2409 Hunter Road, San Marcos or call them at: 512-396-8961. You can also email them at: lamb12@lambstire.com

BEST AUDIOLOGIST HEARING SPECIALIST

MEDPARK HEARING CENTER

**EDWARD TOMANENG, M.D. &
ANTHONY ATENCIO H.I.S.**

Medpark Hearing Center is an audiology department connected to the ear-nose-throat (ENT) specialist office of Dr. Edward Tomaneng, which enables Medpark to offer complete services for patients with hearing loss, allergies, and other challenges related to the ENT system.

Being part of an ENT practice that has been around for more than two decades means that they're well established in the San Marcos area.

"We have generations of happy patients who continue to rely on us for all their hearing needs. 25 years later we're still providing the best care for the community," said Anthony Atencio, H.I.S.

"We've worked with almost every kind of hearing loss over the years, so we have the experience to find a solution for yours, no matter how complex it may be."

Medpark is an all-inclusive hearing center - not all hearing conditions are the same.

"My patients don't experience the same environments. There is no one size fits all solution. There's obviously cost, dexterity and emotional commitment to the recommended treatment," he said. "Everyone has a different follow up rehabilitation program. We know how to treat your condition."

Most hearing aid centers do not have an ENT doctor in house, which means that if a medical condition is involved, the patient will have to be referred to another provider. Because of this existing partnership between a hearing specialist and an ENT doctor, our combined expertise can address your hearing condition all in the same visit.

As part of the full otolaryngology (ear-nose throat), immunotherapy (allergy) and audiology (hearing) services, they can determine if the patient's condition can be medically treated with medication prior to recommending corrective devices. We offer almost every brand of hearing instruments at competitive prices.

"We are very thankful for your votes which makes us one of Hays finest and are happy that our community of voters appreciates our effort" Atencio said. "We will continue to serve you with utmost care and compassion. We strive to learn as much as we can regarding technological advancements so we can continue to deliver the best care possible. We are proud to be a part of Hays County."

BEST MORTGAGE LENDER

ASHLEY HERRERA MORTGAGE SOLUTIONS

Thank you, San Marcos, for recognizing Mortgage Solutions Financial as a San Marcos Daily Record, Best of Hays mortgage lender for four years in a row. It is truly our honor to serve the San Marcos community and help families realize the American dream by helping them get a home loan that meets their needs.

There is a saying within our company; it takes a village to close a home loan. Looking from the outside in, it takes dedicated builders, realtors, title agents and borrowers to first make it happen. Within our four walls,

at least 20 dedicated people such as underwriters, funders, closers, servicing agents, production assistants and a loan officer will look at your loan. It quite literally takes a small village to support one borrower. That is the benefit of working with a direct lender like Mortgage Solutions Financial; you get your own support team to help you get in your home.

In return, we receive the gratification of knowing that we helped another family get a home. While it is not just a great honor for our branch and our team to be recognized

as the Best of Hays, it is also a chance to share that recognition around to everyone who has helped us. Because of you, we get to stay true to what we believe in; helping families get a home, and a home loan, that fits them. It is a testament to the power of our community.

90,000 families helped and counting.

Whether you are looking to invest in your future, find a better rate, or just want someone to have your back, our team is here for you. Call us today, Hays! We can't wait to meet you.

Thank you for voting for us as Best of Hays!

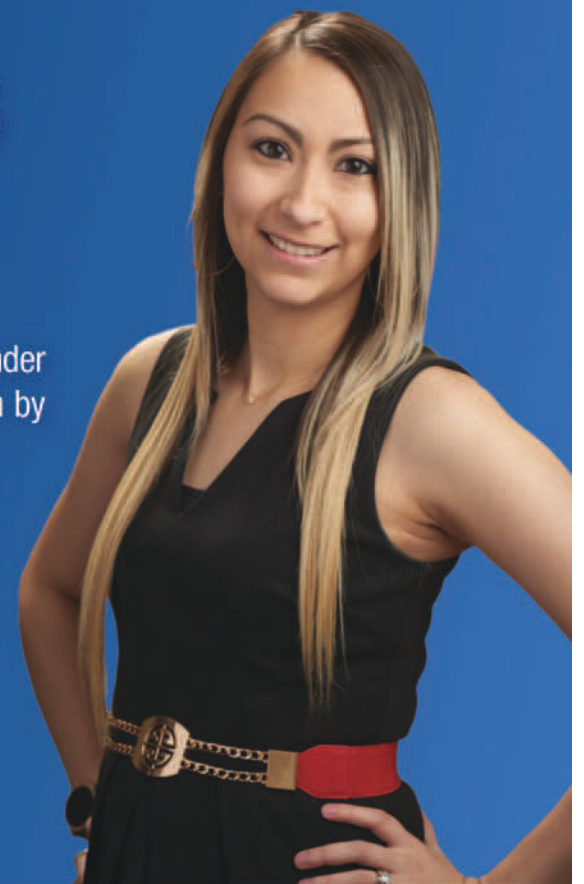

It's an honor to be recognized as a *San Marcos Daily Record*, Best of Hays mortgage lender for four years in a row. It's a greater honor to help families realize the American dream by helping them get a home loan that meets their needs. Thank you San Marcos!

BEST NAIL CARE SALON

STUDIO BONITA FORMERLY NAILS BY JAZMINE

Someone once said, "Do what you love, and you never work a day in your life." Well, that's what the Gaytan sisters have done – from day one.

"At a young age we both knew we had to invest time, money and above all passion into our careers," said Jazmine and J'Erica Gaytan, co-owner of Studio Bonita, formerly Nails by Jazmine. "Both of our journeys started at the San Marcos High School, where J'Erica was granted a scholarship to Baldwin Beauty

School in 2009 and I began cosmetology in its first year being offered at the High School in 2014."

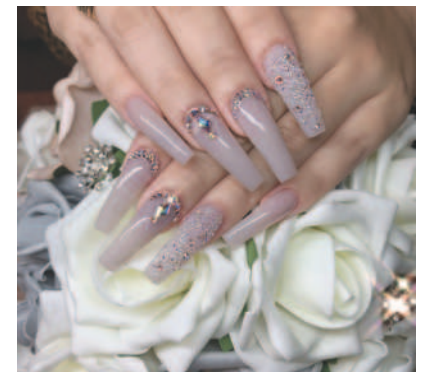

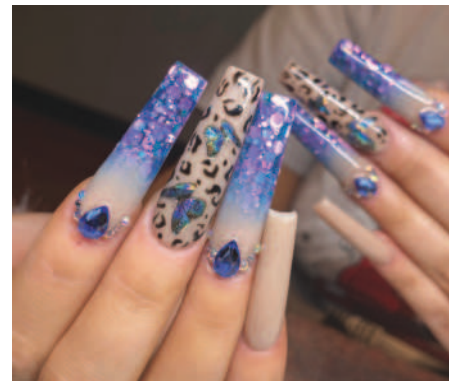

Even though they graduated cosmetology school at different times they both knew nails were where their passion was and traveled to California to expand their knowledge in nails.

What started off as a two woman show Nails by Jazmine has transformed into Studio Bonita, LLC in which we hope to not only continue our passion for nails, but to also incor-

porate more beauty services.

"My sister Jazmine and I have worked so hard, so long, and we both have had our fair share of struggles to get where we are today," said J'Erica. "It's amazing to be locals and to be recognized for the work we do but to be "Best of Hays" is incredibly mind blowing. I'm so grateful to be side by side my sister Jazmine and to our community I pray we can do this title justice. Thank you!"

BEST RESIDENTIAL DEVELOPMENT COMMUNITY

LA CIMA

La Cima, located at the start of the Texas Hill Country just five minutes west of San Marcos, is destined to be the premier master-planned community in San Marcos and anywhere on the I-35 corridor between Austin and San Antonio.

The 2,400-acre La Cima community features 800 acres of open space and parkland, 10-plus miles of trails, and a 45-acre "Central Park" area in the center of the community where residents can run, play and socialize with their neighbors. With a master plan that embraces the character of San Marcos and the Hill Country, La Cima offers a place to live, work and play in nature.

Highland Homes pays great detail to the livability and design of its floor plans at La Cima. Plan options such as second master bedrooms, fitness rooms and expansive outdoor living areas make their plans relevant and attractive to our family's diverse lifestyles and daily needs.

"After 38 years of Texas homebuilding, Highland Homes works extremely hard to make the buyer experience exceptional, for both the families we build for and the realtor/agent that entrusts their clients to our care," said Todd Hays with Highland Homes. "Our clients are treated with care with seasoned sales counselors, builders and design center experts to help them through the build process. Highland Lending also provides excellent mortgage lending options as well."

For more than 38 years Highland Homes has been a Texas builder and is the largest privately/employee-owned homebuilder in Texas, with communities in Dallas/FW, Houston, San Antonio and Austin. With communities throughout the Austin area, they are open 7 days a week from 10-6 pm, Sunday noon-6pm.

Thank you for your time and business!

BEST SEAFOOD

OMG SEAFOOD

OMG Seafood, offering fresh crawfish with a Louisiana flavor, has been dishing up delicious meals since 2019.

Owner and Founder Shane Billiot, a Louisiana native and an Army veteran, brought OMG Seafood to 205 Moore Street, opening his restaurant's doors to San Marcos diners on Dec. 13, 2019. OMG Seafood offers crawfish, shrimp, catfish and

gumbo.

"My crawfish is authentic Louisiana crawfish made with family secret recipes dating over 40 years," Billiot said. "Our crawfish soak and marinate the spices into the meat and head for an extended period of time."

Billiot says he started catching crawfish and boiling it by himself when he was 7 years old. He started work-

ing in a seafood market after he left the Army in 2007. Billiot has since opened seafood restaurants across Louisiana and Texas since then. He began vacationing in the San Marcos and area and fell in love with the beautiful hills, gorgeous water and wonderful people, leading him to open OMG Seafood.

OMG Seafood is open seven days a week from 11 a.m.-10 p.m.

Thank You San Marcos For Voting Us #1 and Best of Hays for Seafood!

BEST APARTMENT COMMUNITY/COMPLEX

PALAZZO APARTMENTS

Why not make life a little easier at the Palazzo Apartments in San Marcos? Suzanne Hinchey-Ponce, property manager of the Palazzo Apartments welcomes prospective residents to come by for a visit. She guarantees you can count on finding alternative design options including newly updated, roomy floor plans and stunning amenities available in an unbeatable location. The Palazzo Apartments were built in 1997 and in 2002 a second phase was added. The apartments offer a huge selection of lavish one, two, and three-bedroom apartment homes to meet your individual needs. They include modern upgraded kitchens, black or stainless-steel appliances,

es, computer desk with built-in bookshelves and washers and dryers in unit. Community amenities include: A dog park with agility course, clubhouse, game room, fitness center, two swimming pools, business center and basketball court. "I am proud to offer support with my onsite team as we navigate everyday business, offering a great product, and ensuring that that our current and future residents receive extraordinary customer service," said Hinchey-Ponce. Her team creates amazing relationships that are long lasting. "My team is thoughtful in our communication and frequently receive praise for customer service provided by both the leasing office and maintenance

team. This year, we are proud to announce that as part of our 2021 Common Area Enhancements, we will begin a property wide paint project to further keep the Palazzo a great place to call home," she added. The community itself is positioned just minutes from Texas State University and I-35, and close to some of the best attractions and entertainment options that San Marcos has to offer, not to mention excellent, dining locations, shopping spots and banks in the area. Our leasing office team is always ready to help current and future residents. We offer our resident portal as well as future resident information on our website www.ThePalazzoLiving.com

BEST BARBEQUE

SAN MARCOS BBQ

About San Marcos BBQ

Working hard and good food. I was born and raised in Luling, Texas, where we take two things very seriously: good BBQ and watermelon. I spent my summers working with the watermelon farmers, where I learned the value of working hard. I also worked alongside my grandfather at his restaurant, Chisolm Trail BBQ, where I learned the passion that goes into creating truly good food. After graduating from Texas State University, I decided to bring my pas-

sion for great BBQ to the amazing city of San Marcos. That is how San Marcos BBQ and Catering came to be. Great BBQ brings people together. It requires hard work and dedication. It allows for innovation and creativity. The mission of my restaurant is to bring joy to as many people as possible, through excellent food, friendly service, and a family atmosphere. Nothing makes me happier than seeing the smile on a customer's face. That's the best part of working hard and making good food. - Justin Pearson, Owner

BEST LAWN & GARDEN - SHOPPING

WIMBERLEY GARDENS

Thank you for voting Wimberley Gardens Best Lawn and Garden Center for Hays County. Because of our customers, we are able to do what we love. We are so appreciative of all of the incredible support. Wimberley Gardens opened in March of 2018, and we have been growing ever since. We specialize in native plants, organic soils, veggies, herbs, trees, and shrubs. We also have a great selection of hanging baskets and lots of annual color.

On top of that, we have a great indoor shop focusing on houseplants, and home décor.

Running a business cannot be done alone, and we want to thank our amazing staff for all of their hard work and dedication to Wimberley Gardens. We also want to thank our girls for all the sacrifices they have had to make.

Last, and certainly not least, a HUGE thank you to all of our customers. Without you, we wouldn't be here. Most of our days are full of

ordering, deliveries, paperwork, accounting etc... but BY FAR, the best part of our job are the relationships we make each and every day. We have made so many friends over the past three years, and for that we are so grateful.

Thank you again,

Matt and Jennie Horvath

BEST SANDWICH

THUNDERCLOUD SUBS

ThunderCloud Subs is proud to be a part of the Dripping Springs community since 2010 and the San Marcos community since 2015. We are a neighborhood sub shop originally started in 1975 in Austin and now have 28 stores spread around Central Texas including Georgetown, Round Rock, Lakeway, Bee Cave, Cedar Park, New Braunfels, San Antonio, and of course Dripping Springs and San Marcos.

ThunderCloud began with a simple philosophy of selling a fresh meal at a reasonable price and quickly developed a rich tradition of serving fresh, fast, and healthy food in a friendly atmosphere. Our shops not only support our customers, but we also have a great deal of pride in our unique mix of friendly employees. And when it

comes to our food, it's all in the ingredients. We slice all our meats, cheeses and produce daily. We prepare our spreads from scratch every day. We have our bread made from scratch and delivered every morning and we choose only the finest ingredients. Our menu has evolved over the decades and now includes such favorites as the Austin Club, the California Club, the traditional Club, the New York Italian, the Veggie Delite, and the Office Favorite. We offer a choice of bread including whole wheat, French, gluten-free, and also a bread-less version we call "sub-in-a-bowl" (more like a salad). We are also excited to be presenting a brand new sandwich called the Ladybird, featuring our fresh chicken salad, avocado, bacon, and jalapeños.

When you come into a ThunderCloud Subs Shop, you'll experience the creation of a great sandwich!

We also believe in community service. Over the years, we have supported countless schools, charities, and community organizations. Hosting our annual event, the ThunderCloud Subs Turkey Trot, we have given more than \$4.2 million to Caritas of Austin since 1990. Though 2020 was a tough year, our "virtual" event prospered and our supporters were able to generate another \$110,000 in proceeds to Caritas. Traditions, community, service, and some pretty tasty subs--that's what we're about!

Thank you for your continued support!

MEMBER FDIC

Now in our 37th year, we love this business...and this town and all of you...more than ever. Thanks so much San Marcos for the "Best of Hays" honor. We appreciate it more than you know!"

In the heart of San Marcos, at the entrance to the Historic District, lies the vintage Crystal River Inn. Just 5 blocks from the crystal-clear San Marcos River, we are the town's only boutique hotel and moreover, the oldest inn in Texas continually operated by the same family. We've been here since 1984, offering simple elegance, two large garden areas, and lots of Hill Country fun.

Guests have a choice of 9 designer rooms in 2 historic buildings, each with unique features such as fireplaces, canopied beds, and luxurious tubs. You'll be treated to a great breakfast with favorites like bananas foster crepes, quiche with hollandaise, or eggs benedict. Then, we invite everyone to relax and be lazy...or, enjoy a zany murder mystery, unparalleled outlet and downtown shopping, massage and facial, a picnic in the garden, or a fun local event.

We are proud to mention that during the last year, owner Cathy Dillon has been drawing on her background as an ICU nurse to keep the inn and its kitchen supremely healthy, clean and sanitized. Another development is that during the shutdown our bored catering crew began offering homemade takeout dinners every Wednesday and Thursday night...and we are still doing it! Tired of your own cooking? Enjoy some of our favorites such as sherried Swiss chicken, provincial beef stroganoff, white spinach lasagna, grilled pork tenderloin, and apricot-rosemary Cornish hen. Check our facebook page for menus, and call to reserve a pickup time.

Come see us y'all. the Dillon family

KISSING TREE®
SAN MARCOS • TEXAS

ALL ROADS LEAD TO KISSING TREE.

The Andersons came from San Antonio. The Matas moved from Austin. None of our residents were born at Kissing Tree, but they all came home to our **55+ active adult community** as soon as they could. Now, they enjoy pickleball, golf, and lots of fun at The Mix, our 20-acre amenity campus with a resort-style pool, an indoor lap pool, a biergarten, a club-style fitness center, cafés, and more. "We have made more friends in the last year at Kissing Tree than we've made in a lifetime," Kathy A. said.
